WORK EXPERIENCES

Marriott International | Jodhpur Sep 2024 - Mar 2025
Human Resources On Job Trainee

- Supported end-to-end HR operations in a dynamic hospitality environment by assisting across multiple functions and applying organizational policies, thereby ensuring compliance while strengthening practical HR knowledge
- Managed employee relations by addressing queries and concerns in a timely and professional manner, while collaborating with senior HR members to maintain a positive and engaging workplace culture
- Coordinated onboarding processes by handling documentation, facilitating orientation, and liaising with cross-functional teams, ensuring seamless employee integration and improved onboarding experience
- Maintained and updated employee records with a high degree of accuracy while ensuring compliance with HR documentation standards, thereby supporting audit readiness and informed decision-making

INTERNSHIPS

The Leading Solution | Noida Jun 2026 - Aug 2026
Intern

- Completed a structured 8-week internship in the BFSI (Banking, Financial Services & Insurance) sector, gaining practical exposure to financial services and consulting workflows
- Calculated salary structures for 25+ employees, including HRA, DA, allowances, and statutory deductions, ensuring accurate payroll computation
- Studied HR policies and talent acquisition processes followed by organizations in the UK, USA, and Australia, covering recruitment, onboarding, and employee engagement
- Collected and verified placement cell (CRC) contact details of 30+ management colleges through official websites and organized the data in Excel for outreach activities
- Promoted Bank of Baroda insurance products by engaging with 40+ prospective customers and explaining product features and benefits

PROJECTS/ LIVE PROJECTS

EquiGrowth: Gender Pay Equity & Promotion Fairness Analysis | LPU Mar 2026 - Apr 2026

- Analyzed gender pay disparity and promotion bias within a large corporate setting such as Goldman Sachs, where systemic inequities existed, while defining the objective to evaluate compensation and promotion frameworks using structured HR models
- Applied SHRM frameworks to assess performance evaluation and promotion systems, and conducted a detailed case study to identify gaps and underlying biases, while ensuring alignment with organizational diversity and inclusion goals
- Developed strategic, data-driven recommendations to improve gender equity and fairness, which not only enhanced the overall understanding of HR challenges but also strengthened analytical and decision-making capabilities

Career Catalyst: Strategic Interview & Personal Branding Program | LPU Feb 2026 - Mar 2026

- Identified gaps in interview preparation and personal branding among students and early professionals, while defining the objective to design a structured training program that enhances employability and professional presence
- Designed and delivered a 90-minute virtual training session for 37+ participants at 3I Education Pvt. Ltd., where integrated STAR techniques, mock interviews, and LinkedIn-based branding activities, while ensuring interactive and practical learning
- Achieved high participant satisfaction and generated ₹11,000 in revenue, which reflected the effectiveness of the program, while significantly improving participant confidence, communication skills, and overall interview readiness
